Description of the issue

I hereby allow XGaming Systems to perform servicing and/or repairs to my computer.

I agree and understand that I have been advised to backup my data on the computer that will be worked on by XGaming Systems. I understand that data loss may occur and that XGaming Systems will not be held accountable in the event that data is corrupted or lost. XGaming systems will not be liable for any damages to computer components not installed by XGaming Systems.

I agree and understand that if my system is set for instore pickup, that I am required to collect my repaired system within 90days of being notified of repair completion. If I am unable to collect my system in this time, I agree to contact XGaming Systems to make an alternative arrangement. After 90days, XGaming Systems will consider my system abandoned and will send my system to e-waste.
